Once the student has submitted the work, the instructor of the original course will grade the work and submit the course grade to the Office of the Registrar using a change of grade form.

A student, who has been awarded an incomplete grade by the course instructor, has a maximum of one academic year after the conclusion of the class or of the issuance of the incomplete to resolve the incomplete grade. Incomplete grades which have not been resolved within the academic year will be administratively converted to an unsatisfactory “U” grade and becomes part of your permanent academic record. An incomplete grade is not counted in the grade point calculation until a final grade replaces it.

**POTENTIAL GRADUATES FINAL GRADES**

For students who anticipate graduating in the current semester, programs/faculty MUST submit the student’s final grades to the Office of the Registrar no later than 10 working days prior to the conferral date (NO EXCEPTIONS). The Registrar needs ample time to audit the student’s academic record to determine if they have met all of the requirements for graduation. Students will be awarded the next available conferral date if grades are submitted late.

**LEAVE OF ABSENCE**

A leave of absence form MUST be completed by the student prior to going on an LOA. The student is required to obtain all of the required signatures prior to final approval by the Registrar. Once the LOA form has been received by the Registrar’s office, an email notification is sent to all vested parties such as Bursar, Financial Aid, the program, IT, Library, Deans, Student Health Clinic and the student. In addition, entries are made into the student’s official record in Jenzabar (AS 400) noting the effective dates of the LOA. If a student is registered for courses, then all of the courses will be administratively dropped.

Students who request a Leave of Absence for a period of 1 or 2 months within the fall or spring semesters, their courses may or may not be dropped unless specified by the program or student.

Request for a leave of absence must be submitted and processed **within the academic semester** which the student will not be attending classes. A request for a leave of absence which is older than one academic year from the last date of attendance will not be approved.

The request for an extension of a leave of absence must have all of the required signatures prior to being approved.

**LEAVE OF ABSENCE AND FINANCIAL AID**

The Department of Education Federal Loan Regulations allows students a six (6) month grace period while absent from academic enrollment. Once a student exceeds their total six (6) months grace period, then their students loans will automatically fall into repayment. A leave of absence counts towards the six (6) month total.
COMLEX ISSUES FOR COM STUDENTS ONLY

If a student fails COMLEX and is required to take a leave of absence by the Student Promotions Committee, a student must complete a leave of absence form and obtain the required signatures and a hold “RC” will be placed on their account by the Registrar to prevent them from registering for rotations until they have been cleared to do so by the program. Once the Registrar is notified by the program that the student has passed COMLEX the “RC” holds will be removed.

PETITION TO RETURN TO CLASSES/ROTATIONS

A student must submit a petition to return to classes/rotations prior to returning. The form must be approved and have all of the required signatures prior to the student commencing classes. Students may not participate in any classes or rotations until the petition has been approved. Students who are on an approved leave of absence and fail to submit a petition to return to classes will remain on a registration hold until the petition has been processed and approved. The Registrar notifies the Bursar, Dean, Program, Financial Aid, Student Health, IT, Library etc. that the student has been approved

The following departments will be notified via email of the approval of the student’s petition to return: IT, Library, students program, Bursar, Dean, Program Director, Financial Aid, Facilities, Student Health and the student.

WITHDRAWAL FROM THE UNIVERSITY

Withdrawal means you are dropping all classes in all sessions after your earliest session begins. A withdrawal form must be completed by the student prior to leaving the campus. The student is required to meet with the Dean of Students and if required complete an exit interview with Financial Aid Director. The student is required to obtain all of the required signatures prior to the Registrar processing the form. Once the form is complete an email notification is sent out to vested parties such as Bursar, Financial Aid, the program, IT, Library, Deans and the student. In addition entries are made in the student’s official record in Jenzabar noting the effective dates of the withdrawal. If a student is enrolled or registered in courses in the semester which they are withdrawing from then all of the courses will be administratively dropped.

Withdrawals cannot be retroactive for more than one academic semester. If a student is not attending classes in the current semester, and they have not respond to request by the program to declare their intentions on continuing with the program, then the program will notify the Office of the Registrar and the Registrar will send a certified notification to the student that they will be administratively withdrawn from the program and university with an effective date.

Please note that in either above mentioned instances, the student does not need to complete an Add/Drop form, since the above forms supersede the drop form.

Students, who withdraw from the program during the final block exam week after the census date or prior to the end of the semester, will be issued a “U” on the official transcript unless otherwise instructed by the program Dean.
The Registrar’s office will enter in the AS 400 (Jenzabar) a code of “RW” for all students who withdraw from the university to deactivate the students account.
