Immunization, Health History, and Physical Examination Information

Dear Student,

A complete Health History and Physical Examination is required prior to matriculation at Touro University California. Proof of immunity through serum blood titers must be provided to the following communicable diseases:

- Measles (Rubeola)
- Mumps
- Rubella
- Varicella
- Hepatitis B
- Current Vaccination with TDAP (tetanus/diphtheria/pertussis) is required. TDAP is good for 10 years. Make sure you receive TDAP within that time frame.
- Tuberculosis clearance must be valid throughout the entire academic year.

See the following page for detailed information related to communicable disease clearance, including the type of titers your Health Care Provider should order. Clear and legible copies of your immunizations only will be accepted (aka, vaccination, shot, or childhood disease records). Any additional pertinent information will be handled in compliance with HIPAA regulations related to protected health information.

The following is a list of all health related documents required:

1. Student Information (FORM A)
2. Health History (FORM B)
3. Physical Examination (FORM C) *Your Health Care Provider must sign this form
4. TB Symptom Checklist (FORM D) *Your Health Care Provider must sign this form
5. Immunization/Titer Results (FORM E) *Your Health Care Provider must sign this form
6. Authorization for Release of Communicable Disease Clearance Information to Clinical Rotation (FORM F) *Please be sure to sign
7. Immunization Records (Copies preferred)
8. Laboratory Results (serum blood titers) *Titers can be no more than 5 years old

Forms A through F, including all immunization records, serum titers, and chest x-ray results, if indicated, must be returned no later than June 1st to:
