

## **Emergency Response Guidelines**

**To report any police, fire or medical emergency, call:**

**From a campus phone: 9-911**

**From off campus or from a cell phone: 911**

In the event of a fire, activate the buildings alarm system **BEFORE calling 911.**

**Evacuate the building immediately!**

When calling 911:

- Stay on the line with the dispatcher
- Provide the address of the building involved and your exact location. This is especially critical if you are calling from a cell phone.
- Provide a thorough description of the incident to ensure proper resources are dispatched.
- Do not hang up until the dispatcher tells you to do so.
